Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Tuesday 07 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery and very windy for many.

This Evening and Tonight:
Heavy rain and snow, with blizzards on high ground, clearing northwards across Scotland. Elsewhere, clear spells and blustery showers, with some longer spells of rain at times. Winds easing for most, but severe gales persisting along some western coasts.

Wednesday:
Often cloudy with showers or longer periods of rain. Remaining windy for many but coastal gales in the west slowly moderating.

Outlook for Thursday to Saturday:
Mainly unsettled with showers or longer spells of rain although occasionally brighter in the east. Often windy and rather cold though snow mainly restricted to high ground in the north.
